

Women in Media

SAVE THE DATE

March 11th, 2019 11.30H - 12.45H
Where: UN Headquarters CR12

Media informs, influences, and shapes the world we live in. Journalism exists to serve the public and represent society. But unfortunately, women and minorities remain largely underrepresented. Both in front of the camera as well as in positions of power.

The time has come to change that.

Do you want to know how media can become more inclusive? Sign up for the Women in Media side event. Where leading experts and groundbreaking media disruptors discuss the importance of inclusivity and show you how it can be done.
